list of harbors and transshipping points
in the Sachsen and Magdeburg areas

25X1

25X1

25X1

There are ten items listed in the Sachsen area and
73 items in the Magdeburg area.

25X1

The information is broken down by waterway (all points listed are located
on the Elbe River), kilometer point of the river, designation of the harbor,
property owner and user, type of transshipping (public or plant use), railroad
connection, transshipping capacity for an eight-hour day (by mechanical means,
semi-mechanically, and manually), type of cargo transshipped, number and
type of transshipping equipment, capacity of transshipping equipment per hour,
open storage space, storage space for liquid fuels, enclosed storage space
for grain and for other goods, and granaries.
